Dear Ms. Cordero:

This letter is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2015-000011), dated October 07, 2014, in which you requested:

The "FY2014 PBS 2014 Blueprint Measures" for Region 2 which includes the 2013 results." In addition, you stated, "[t]he spreadsheet 'FY14 PBS Strategic Blueprint_summary report_q1.xlsx' was sent as an attachment for an email from Noemi Hall dated Wednesday, February 26, 2014 at 1:09 PM. There should be no reason why this information should not be released. These are measurements indicating how the well GSA Region 2 is performing using tax payers dollars.

In response to your request, please be advised that the requested document was sent to you, together with all Region 2 employees, by email on February 26, 2014 as evidenced by the attached email. The chart attached to the above referenced email contains the requested FY2014 PBS 2014 blueprint measures as well as the 2013 results.

This completes our action on this FOIA request. Should you have any questions, please contact Noemi Hall, Business Analyst, at (212) 264-2953 or by email at noemi.hall@gsa.gov.

Sincerely,

Travis Lewis
